

**STANDARD-TIMES  
OBITUARIES,**

**1991**

Index to Obituaries  
in the  
New Bedford **Standard-Times**.  
1991

New Bedford Free Public Library,  
1992

All obituaries that appear in the Standard-Times are indexed. A funeral notice is indexed when it appears without an obituary. When a corrected obituary appears, it replaces the original obituary in the index. Married women are listed under their married name and under their maiden name. Maiden names are followed by two hyphens and the married name. All names begin with a capital letter to keep them in proper alphabetical order.

The index was compiled by Paul Cyr, Joan Barney and Tina Furtado.
